

Heroes from the past

A LEOMINSTER pub landlord is hoping a 70-year-old photograph will help a Northampton family trace members of the Kingsland Football Club.

Mike Pearce, landlord of the Angel Inn, Kingsland, was recently approached by the family, who gave him this Kingsland FC 1923-24 photograph.

They want to trace anyone who might know anything about the then club secretary, Richard John Jones, pictured in a suit on the right of the picture. They are also keen to find out about the others.

Mr Pearce has so far found a number of the names in the picture from two long time village residents.

If you know anything about the team, contact Mr Pearce on 0568 708355.
